About Me

I am a competitive programmer with a passion for continuous learning. I excel in algorithms and have actively participated in programming contests. I am looking for a chance to put my abilities to use in a real-world situation, work on worthwhile projects, and expand my understanding of contemporary development techniques and tools, especially in the fields of Software Engineering.

Technical Skills

- **Languages:** C++, C#, Java, Python.
- **Web Development:** ASP.NET, HTML, CSS.
- **OS:** Windows , Linux.

Competitive Programming Experience

I have solved more than 400+ problems with various prestigious online judges and participated in several onsite and online programming contests.

Online Programming Contests

- **CodeChef:** Amdadul Haque Hasan *Max Rating: 1113*
- **LeetCode:** Amdadul Haque Hasan
- **Solved problems on other platforms like:** vjudge, Codeforces

Education

BSc in Information Technology
University of Information Technology And Sciences

CGPA: 3.70 / 4.00
July 2021 – June 2025

Higher Secondary Certificate
Dhaka Imperial College

GPA: 5.00 / 5.00
Passed 2020

Secondary School Certificate
KPB School & College

GPA: 4.78 / 5.00
Passed 2018

Personal Projects

Library Management System (Library)

Built a Tkinter-based Library Management System with MySQL integration, featuring full CRUD functionality and automated book detail management.

A Review on Large Language Model (continuous)

Authored a comprehensive review paper on Large Language Models (LLMs), analyzing their architectures, applications, and future research directions.

Java Online MCQ Test Project (Java-mcq-App)

I have designed the project feature and implemented all the required features. Java AWT is used in the project. In addition, this project is used for the MCQ test online.

Experience

Head, UITS IT Club(Higher Studies Wing)

January 2025 – June 2025

Directed the Higher Studies Wing, overseeing planning, events, and resources to support students in pursuing advanced academic and research opportunities.

Executive and Mentor, UITS IT Club (Programming Wing)

January 2024 – 2025

- Programming instructor and mentor
- Organizer of intra-university programming contests
- Organizer of UITS Intra Hackify Fest

Achievements

- 23th place, UAP Inter University Programming Contest 2024
- 30th place, UITS Collaboration Programming Contest 2022
- 6th place, UITS Victory Day Programming Contest 2021
- Won Best Outstanding Student of the Semester (BOSS) Award three times consecutively for academic excellence.

Interests

- Software Engineering
- Web and App Development
- Machine Learning
- Data Science

Hobbies

- Traveling
- Learning new technology
- Reading Books
